TRUSTEES REPORT

The trustees submit their report and the financial statements of the Somerset and Dorset Family History Society for the year ended 31 December 2018.

LEGAL AND ADMINISTRATIVE INFORMATION

The Charity's legal and administrative details are as shown on page 1.

The objects of the Charity are as detailed on page 2.

There have been no material changes since the last report in the policies adopted by the charity in order to further its objects.

MANAGEMENT AND GOVERNANCE ARRANGEMENTS

From 6 July 2002 the society has adopted a revised constitution, amended on 24 September 2011 and 19 September 2015. Under the constitution the society is administered by an Executive committee, comprising the Chairman, Secretary, Treasurer, two Vice Chairmen and representatives of the regional groups and nominated representatives of authorised sub-committees. The Society operates a number of sub-committees to handle various specific aspects of running the society. All important decisions are then ratified by the Executive Committee.

In setting objectives and in planning the activities of the society, the Trustees have given careful consideration to the Charities Commission's general guidance on public benefit.

The following Trustees have held office since 1 January 2018:

E A Udall

ACHIEVEMENTS AND PERFORMANCE OF THE SOCIETY AND FUTURE PLANS

The Society relies on volunteers from among its members. Volunteers are involved in organising the Society's eight regional groups, each of which hold monthly meetings which are also open to non-members. Other volunteers staff the Family History Centre in Yeovil, dealing with queries (from Society members and members of the public), creating and publishing indices and other tasks. Volunteers also attend various family history related fairs and similar occasions.

Educational sessions in collaboration with local libraries have proved very successful, with extra sessions being arranged on several occasions.

The Somerset and Dorset Family History Society

TRUSTEES REPORT

Since moving the Research Centre to Yeovil at the end of 2017, the Society has benefitted from improved visibility and this has been borne out by the increased number of visitors. As a consequence, the Centre has increased its opening hours. Volunteer numbers at the new Centre have increased and facilities for research have been improved by the acquisition of extra computers. The Society continues to organise educational classes, lectures and workshops for both members and the general public. These take place both in the new family History Centre in Yeovil and also at venues in Sherborne.

The Society continues to publish its quarterly journal "The Greenwood Tree". The Society's website is updated regularly and use of the Members Forum continues to increase, giving the opportunity to discuss research and ask for or offer help. An online shop initiated during 2016 has continued to prove to be very popular with members, increasing publications' sales and giving more options for the payment of subscriptions. Members can also book events, make donations and pay Research Fees securely through the shop. The Society continues to increase its use of social media with the WordPress blog and the Facebook Group, in particular, proving to be both popular and helpful to those undertaking their own family history research.

FINANCIAL REVIEW INVESTMENT POLICY AND RESERVES

Income for the year amounted to £47,911 (2017 - £97,525) of which £32,752 (2017 - £31,469) came from subscriptions and £10,042 (2017 - £62,098) from services offered by the society. Of the 2017 amount £48,925 arose as the result of a one-off sale of datasets. The Trustees agreed to designate £42,000 to a designated contingency fund. In addition in 2017, the society received a donation of £10,000 to help facilitate the move of its Headquarters and Research Centre. Of this £6,920 was spent in 2017 and a further £1,359 in 2018 leaving an unspent balance as at 31 December 2018 at £1,721. The charity incurred total expenditure of £37,327 (2017 - £59,379) giving a net increase in funds of £10,584 (2017 - £48,146).

A revaluation of the library was undertaken in 2014 to establish the veracity of the value of its contents as shown in the accounts. Using statistical sampling and validation, an internal valuation was undertaken in December 2014, which revealed that the contents were worth approximately £54k. After due deliberation the Executive Committee decided to restrict the increase in value of the library stock to £6,500 in the Accounts, thus showing the asset as half its apparent value. A review was carried out as at 31 December 2017 at the time of the move to Yeovil and it was decided that an impairment to this valuation in 2017 of £3,000 should be made. The library is therefore currently valued at £24,000.

The Trustees have the power to invest the money of the charity not immediately required for its purposes in such investments or property as they think fit. Currently cash reserves are required to meet the day to day needs of the charity and therefore any cash not required for immediate use is held in Charity fund deposit accounts, which give immediate access to these funds.

The trustees aim to hold sufficient reserves to meet six months operating activity of the charity. As at 31 December 2018 balances held at the bank and on deposit totalled £114,485 of which £53,378 is restricted or has currently been designated for non general purposes. The society therefore holds £61,107 in general funds, which covers in excess of one year's operating activities at current levels.

In 2014, the Trustees voted to utilise some of the Designated Funds for the purchase of new computers, and the further development of the Society's Website. To this end, in 2015, £5,591 from the David Chant bequest expended on computers and £905 from the Gillian Kerr bequest on website development. A further £404 was spent on computer upgrades in 2016. No further expenditure was incurred in 2018.

The Somerset and Dorset Family History Society

TRUSTEES REPORT

The Trustees have continued to implement the strict budgetary controls adopted in 2014 and this, together with the continuing education courses and talks in Sherborne, have enabled the Society to generate a further surplus this year.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

Charity law requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the Charity's state of affairs at the end of the financial year and of its income and expenditure for that year.

In preparing those financial statements, the trustees are required to:

- a) Select suitable accounting policies and then apply them consistently;
- b) Make judgements and estimates that are reasonable and prudent;
- c) Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, Accounting regulations and SORP. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE SOMERSET AND DORSET FAMILY HISTORY SOCIETY

I report on the accounts of the Society for the year ended 31 December 2018, which are set out on pages 8 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

examine the accounts under section 145 of the 2011 Act;

to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and

to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- which gives me reasonable cause to believe that in any material respect the requirements: to keep accounting records in accordance with section 130 of the 2011 Act; and to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The following accounting policies have been applied consistently in dealing with items which are considered material to the financial statements.

INCOME RECOGNITION

Income is recognised in the period in which it falls due. Subscriptions are accounted for in the period they are due.

TANGIBLE FIXED ASSETS

Fixed assets are stated at historical cost less depreciation. Depreciation is provided on all tangible fixed assets at rates calculated to write each asset down to its estimated residual value over its expected useful life, as follows:-

Plant and equipment	25% reducing balance
Computer equipment	20% per annum

Microfiche for society services and projects is written off in the year of acquisition.

STOCKS AND WORK IN PROGRESS

Stocks of books are valued on a conservative basis. This prudent approach is necessary because of the specialised nature of the publication and the uncertainty of the future demand. Income from the sale of books is recognised as it is received.

UNRESTRICTED FUNDS

All the funds of the charity are unrestricted but they are allocated to the following funds:

General fund

The use of this fund has not been restricted to any particular purpose by the donors or their representatives.

Support costs have been differentiated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to statutory examiner's and legal fees together with an apportionment of overhead and support costs relating to trustee Board and sub Committee meetings.

Designated funds

Designated funds are those which have been allocated by the charity for a particular purpose. The funds have been set up to provide charitable giving agreed by the Board of Trustees to be donated at a future date.

RESTRICTED FUNDS

Restricted funds are those which are required to be used for specific purposes as set out by the donors. These funds are not available for the general use of the charity.

OPERATING LEASES

Annual rentals under operating leases are charged to profit and loss on a straight line basis over the lease term.
